Dr. Yvette M. Harris, President

01 CORPORATE SUMMARY

About Us: Established by Dr. Yvette M. Harris, an esteemed educator and trainer boasting over three decades of invaluable experience, EDR Consulting and Training epitomizes the zenith of educational prowess and leadership cultivation. Dr. Harris, with a rich background in both the United States Air Force and corporate spheres, has adeptly channeled her wealth of knowledge to effect substantial change within the realms of education and nonprofit organizations alike.

02 CORE COMPETENCIES

Elevate your organizational potential with our comprehensive suite of services:

- **Leadership Training and Development:** Benefit from internationally recognized Maxwell leadership training, coaching, and speaking programs designed to unleash your leadership potential and foster organizational success.
- **Educational Consulting:** Experience bespoke solutions tailored to the unique needs of educational institutions and professionals striving for excellence, ensuring optimal outcomes and sustainable growth.
- **Grant Writing and Funding Acquisition:** Rely on our proven expertise in securing funding, ranging from \$5,000 to over \$235 million, for local, state, and federal grants, empowering your initiatives to thrive and make a lasting impact.
- **Behavioral Analysis:** Harness the power of certified DISC behavioral analysis training to enhance team dynamics and individual performance, unlocking untapped potential and fostering a culture of collaboration and synergy.
- **Professional Development:** Access customized training and coaching programs designed to propel individuals and organizations toward peak performance, equipping you with the tools and strategies needed to thrive in today's competitive landscape.

03 DIFFERENTIATORS
